## Jersey

Covering an area of 45 square miles and situated in the Gulf Stream 100 miles south of England, just off the French coast of Normandy, Jersey is the ideal destination to experience the very best in British and Continental cultures.

Jersey is famed for its stunning coastline, miles of glorious golden beaches, beautiful countryside and towns, and not forgetting the famous Jersey ice-creams.

Jersey consists of twelve parishes, all of which have access to the sea and are named after the saints to whom their ancient parish churches are dedicated.

## Accommodation

We will spend 7 nights on a half-board basis at the Biarritz Christian hotel. Having a unique elevated position overlooking St. Brelades Bay, the hotel has private access to the promenade and one of the finest beaches in the Channel Islands.

The hotel is situated to overlook the Parish Church and the 13th century Fisherman's Chapel as well as Sir Winston Churchill's Memorial Garden, along with its elegant waterfall and fountains.

All of the accommodation at the Biarritz hotel offers private bathrooms, satellite television, telephones and tea/coffee making facilities

## Flights

All flights will be charged at an additional cost to allow flexibility in departure destinations. Transfers from Jersey Airport to the Biarritz hotel are included in the cost. Flight booking and transfers will be co-ordinated by the Biarritz hotel, who will invoice you separately for this.

### Day one

Today you travel from your chosen UK airport to Jersey Airport and transfer to the Biarritz Hotel to meet your hosts.

### Day two

Sunday morning there will be complimentary travel organised by the hotel so that we can enjoy a Sunday service in the nearby St. Aubins Methodist Church.

Following the morning service we will return to the hotel for a traditional Sunday lunch.

The afternoon is free to explore St. Brelades Bay at your leisure. The day will conclude with the grand buffet and fellowship time.

### Day three

Today after breakfast we will have a full day island tour where we will see some of the best sights in the Channel Islands with stunning coast-lines and fantastic golden beaches.

We will also visit the Jersey Goldsmith with its vast collection of gold, diamonds and precious stone, where we will be able to watch skilled goldsmiths at work.

Later we will have a look at the Laliq Glass Church. Monsieur Rene Laliq was commissioned by Lady Florence Trent to install the glass interior in 1934, in memory of her late husband, Jesse Boot (founder of Boots the chemist).

St. Brelades Bay

### Day four

Today we will visit St Lawrence; one of the 12 parishes within Jersey. We will visit the Jersey War Tunnels (previously known as the German Underground Hospital) – a major relic of the engineering works undertaken by the occupying German forces 1940–1945. They also serve as a memorial to the many slave-labourers pressed into work during the Second World War.

Corbiere lighthouse

We will also visit the Corbiere lighthouse. The first concrete lighthouse in the British Isles, it was designed by Sir John Coode and was completed in 1874 at a cost of £8000, which included the keeper's cottage on the shore-side. It is only accessible by foot at low tide.

### Day five – free day

### Day six

Today we will have a half day tour of the east of the island. We will also make a visit to the famous Jersey Pottery, finishing the trip in the pretty village of Gorey, with its harbour and castle.

### Day seven
