Lindors Country House Hotel

HOW TO GET HERE

From M4 and the South: Take the M48 across the Severn Bridge (for which the toll is currently £5.50 for a car), and immediately leave the M48, taking the A466 signposted for Chepstow and Monmouth. Stay on this road around the outskirts of Chepstow, through Tintern and Llandogo and across Bigsweir Bridge (controlled by traffic lights). Immediately after crossing the bridge, bear right up the hill following the signposts for Coleford. The entrance to Lindors is about $\frac{3}{4}$ mile along this road on the right.

From M5 and the North: Take the M50 which leads into the A40 towards Monmouth. Turn left onto the A466 (signposted Chepstow) at the traffic lights on the Monmouth by-pass. After about 7 miles in the direction of Chepstow, take the sharp left signposted Coleford, immediately before Bigsweir Bridge. The entrance to Lindors is about $\frac{3}{4}$ mile along this road on the right.

From Gloucester: Take the A40 towards Ross-on-Wye then left on to the A48 towards Chepstow for approximately 15 miles. After passing through Blakeney, $1\frac{3}{4}$ miles turn right signposted for Bream, Whitecroft and Lydney. Drive into Lydney and turn right into Bream Road signposted B4231 to Monmouth and Coleford. After $4\frac{1}{2}$ miles turn right at the T-junction onto the B4228 towards Coleford then immediately turn first left towards Clearwell. After one third of a mile take the first left towards Bigsweir and the Wye Valley. After 3 miles you will find Lindors on your left.

Alternatively, take the M5, M50 and A40 towards Monmouth, and follow the directions above.

By rail: Travel to Lydney railway station. There is no taxi rank, so it is advisable to pre-book a taxi for the 8 mile journey to Lindors. We will be happy to give you telephone numbers for some local firms if you contact the hotel.
